Re: SouthEast Telephone, Inc., Complainant v. BellSouth  
Telecommunications, Inc., Defendant  
PSC 2005-00533

Dear Mr. Sieradzki:

As you requested, attached is BellSouth's support documentation referenced in my September 20, 2006, letter. This documentation supports BellSouth's calculations of \$157,609 due from South East Telephone, Inc., for the \$1 per line per month additive, if "TELRIC plus \$1" is the proper rate for the resale services ordered and provided for the period of May 1, 2005, through July 31, 2005, which BellSouth disagrees is appropriate. In addition, based on the Commission's order, Southeast would also owe BellSouth the difference in what Southeast has paid to date for such services and the appropriate TELRIC rates for such services.

The information in the documentation is confidential information of SouthEast and, therefore, is provided only to SouthEast.

Sincerely,

Mary K. Keyer
